### SPECIAL RESOLUTION ADOPTED BY CONFERENCE

Whereas, we realize that through the present channels of work for Young People, viz: the Church School, Epworth League, etc., we are failing to get and hold a firm grip on the young people of our church, and

Whereas, we realize that without consecrated, adventurous youth, mentally alert to and cognizant of the program of the Church and its ability to aid in the solution of life's problems, the future Church will not advance and accomplish the great purpose for which it was established; and

Whereas, the program of the National Council of Methodist Youth tends to strengthen the work of the present youth organization; and

Whereas, South Carolina Conference has no official representative in the National Council of Methodist Youth. Therefore, be it

Resolved: First, That the South Carolina Conference encourage through the District Superintendents the promotion of District Youth meetings within the District conventions or separate from the same, (preferably the latter), to inspire and train our youth into a more vital interpretation of our Church Program, to the end that such a Council be organized in our Conference.

Second. That each District Superintendent appoint a committee to prepare for and assist in the execution of these meetings on the several districts.

Third. That a Youth Program be conducted at the next Annual Conference that will hear reports from said meetings and begin a permanent Conference organization.

Fourth. That South Carolina Conference send a delegate to the next meeting of the National Council of Methodist Youth.

Respectfully,  
 MRS. H. B. JONES, Promoter,  
 And Lay Conference Committee:  
 MRS. P. M. GIBBES, Chairman  
 Mr. J. A. TALBERT

### THE COMMITTEE ON EVANGELISM

The Committee on Evangelism beg leave to report.

Christian Evangelism is defined to be earnest effort for the spread of the Gospel of Jesus Christ. The supreme passion to get souls into right relation to God, by communicating to them what Christ has communicated to us, with the view of their salvation. This is the task which our Church has assigned us, in planning the observance of the Aldersgate Anniversary May 24, 1938.

In doing this we must go back to the Evangelical Conversion of John Wesley, the founder of Methodism, at Aldersgate May 24, 1838. In keeping with the Program of the Commission on Evangelism, the committee wish to recommend the following:

1. The creation of a committee on Evangelism on each District to co-operate with the District Superintendent in getting a place on the Program at its Annual Rallies at Clafin, District Conferences, Church School Conventions, Group Meetings, that the cause may be represented.

The committee recommends also the creation of a similar committee on each charge to work with Committee on Membership, assisting the pastor in planning his evangelistic program for the year, in making preparation for the observance of the anniversary in each church on his charge.

The committee recommends that each pastor in his services emphasize the importance of a personal experience of religion, and the seeking a greater spiritual awakening in soul winning, church attendance, family worship

and in reading our Church literature, especially The Christian Advocate Southwestern Edition.

First: That the Conference endorse and support the thought, aim, and purposes advanced by "The Gammon Family."

We also recommend that at each of the District Conferences, and Church School Conventions the District Superintendent will have some phase of the school discussed.

We further ask that each member of the "Gammon Club" of the District contribute \$1.00 per annum to be reported by the President of each club at the seat of the Conference for "The Gammon Foundation For Africa," "The Alumni Budget," and a permanent scholarship at the Institution.

Lastly, that "The Gammon Family" meet at the Conference to receive financial and literary reports from the clubs, said sums to be forwarded to "Gammon Alumni" President.

**REPORT OF COMMITTEE ON WORLD SERVICE**

We, your committee on World Service givings, or "The Million Unit Fellowship," request this time, and our pleasure to make the following report:

We have witnessed with keen interest, and joy, the support and co-operation given by our loyal members to the worthy "Million Unit Fellowship" in the past year. We have heard and deeply appreciate the praise and compliments paid to us for our raising and reporting our entire "Million Unit Fellowship" apportionment. That achievement, and applaud has strengthened and encouraged and blessed us with a faith and ambition to undertake the next year's like task the Great Church may repose upon us.

Therefore, 1938, asking to the amount of 1,709 units, which sums up to \$20,508, will be speedily accepted and gladly collected as our "Million Unit Fellowship" obligation.

Therefore, let each District Superintendent, pastor and member reinforce his zeal and interest, renew his efforts and determination and go from this Conference in the Spirit and Might of the Christ, and the World Service assessment upon his conscience so strong and plain that every "Million Unit" request will receive a happy response, and every cent subscribed be reported in full.

Therefore be it our wish and supplication that we invoke God's wisdom and guidance in our life and supreme sacrifice as we advance toward the consummation of our financial goal of the Church's challenge, namely, "The Million Unit Fellowship Movement."

### RESOLUTIONS

We, the members of the South Carolina Conference, record with deep regret the repeal of the 18th Amendment. This blunder by our National and State Governments have turned the hands backward upon the dial of our moral and spiritual progress. The wild orgy of drinking among the Colored Youth of our land, the decline in high moral idealism. The slant toward criminality, the mania for recklessness, argue too well for the need of a flying squadron who will grapple with these social and spiritual evils.

The Methodist Episcopal Church has always worked upon the frontiers of humanity's needs. We turn today to this watch tower and send hurriedly a S. O. S. signal, that rescue workers be sent to the storm stricken area, that such aid as can be provided might be made available.

The heroic and efficient services rendered our people for six years upon the tumultuous and turbulent waters by our own Dr. A. R. Howard, is too recent for us to forget his inestimable worth to this cause; hundreds of thousands of pledges were made from the Pacific to the Atlantic seaboard, promising to abstain from the use of alcoholic liquors, a continual bugle note was heard. In the light of the fine services rendered by him, in instituting an educational campaign across the country among the colored people which we believe to be the proper approach to this total evil; and because his services with the Board of Temperance, Prohibition and Public Morals were delayed, on account of the decrease in funds to furnish a special work among colored people of America; be it

Resolved, That we earnestly ask the Board as soon as possible to restore Dr. A. R. Howard to the staff to resume work among colored people or (that our race might be helped). The South Carolina Conference in particular. We feel the Area in general would make a more liberal

designative for this cause were a worker placed upon the staff among us.
